

UPDATE LETTER FROM JOHN & NADYA

JULY 2006

Hi there everyone,

By God's grace we are all well and things are going pretty good for us here, even though this month has been extremely busy. As I told you already in the last letter... we are moving! Well, not yet, it's going to take a while... I ask you to really pray for us as I have been under a lot of pressure (decision making, purchasing supplies, working myself) with the guest house. We had to do some paperwork on our house before putting it up for sale and we also had a lot of paperwork for purchasing the guest house. Praise God that all of it is almost done now. The hard part is that prices keep going up and up on materials and labour, so we are getting a little worried about the whole financial part. Please pray that God will find buyers for our place.

We have had a wonderful time witnessing people's life changes. For the last week we had tent ministries in different parts of our Nikopol region. What a joy to see people give their hearts to the One that loves us and gives us eternal life.

Once again I realized how much we should ask the Lord of the harvest to send out workers into this harvest field, because "the harvest is plentiful, but the workers are few" Luke 10:2. In one little city of Ordzhenikidze, we had more than 70 people come to Christ! What a joy, what a privilege to be a part of this great work that God is in charge of! Thank you so much for supporting us, praying for us and being such a big part of it too.

We are getting ready to have summer camps. This is really exciting! Please pray for the kids that will be attending... there will be approximately 200 kids who are orphaned or come from broken families. Also pray for the staff, that everything will go well. We are planning around 4 or 5 camps this summer, starting this month.

Well, it's time to say goodbye and may God bless you and keep you safe until we write again! Love in Christ,

John & Nadya
