

Letter from John & Nadya Bokoch

July 2008

Dear Friends,

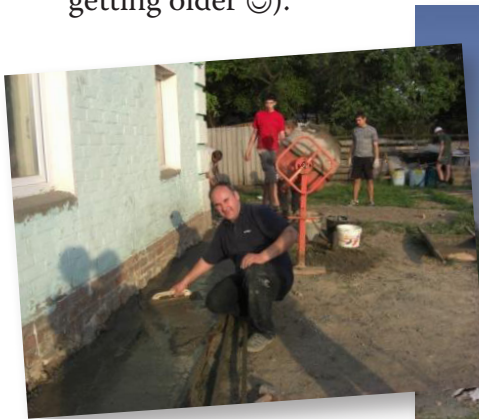

It's been awhile since we last shared with you about our life here in the Ukraine.

We are doing well, praise God. As usual, we are very busy especially now with the renovations of the Nikopol Church. Every day from morning till evening John and I are at the Church with a few teenagers and ladies. Slowly but surely we are moving forward. We thank God for providing for this project. We pray and trust we will complete this project by the end of August as many people are coming to share in the celebrating the 100th year anniversary of the Church.

In addition to the renovations at the Nikopol Church we have been working on the beginning phase of the Church renovation project in Chkalovo (project adopted by Simple Churches, Canada). Please pray for these project as we've stated to wear down a bit (I think we are just getting older ☺).

On the ministry side of our life, John still has his 12 services a month, some home visitations, seminars etc. We are very excited and are getting ready to have 8 people baptized within our Church. This week we are travelling to the village of Tokovskoyer where a tent evangelism will be held. We are also preparing for a Church plant in a town located 90km from Nikopol. This village does not have any Christians or Churches of any kind there. We had one family agree to move there and become missionaries but at the last meeting they resigned. Please pray that God will provide a person for us to be willing to go, we are so excited that we still have freedom to go and bring the Gospel to those who don't know about God.

John received a phone call a few days ago from a lady we have never met but requested for John to visit her and her family as she had been diagnosed with cancer. After a long visit, sharing and praying, she gave her life to Christ. She said she is not afraid to die now that she knows where she is going. Praise God that He is still calling people into His Kingdom.

Thank you to those who contributed money towards summer camps as tomorrow we are going to bring a few kids to the camp. They are so excited to be able to go.

Please pray for the poor here, widows, large families as the prices for food and living have increased, becoming very difficult to provide for themselves.

Well we miss you, it's been awhile since a "Canadian Group" has visited. ☺ We are looking forward to see you in September and October or sooner if you want to come. ☺
