

In partnership with:

✓ Haiti, Grand Goave *TELUS Laptop Project*

Surrey Alliance Church travelled to Grand Goave, Haiti as part of the team in November 2009. The team took part in working alongside Haiti ARISE Ministries (HAM) who 'have a vision to raise up leaders in Haiti through education to strengthen their families, neighbors and country, bringing relief of poverty and stimulating the economy'. One of the team members works for TELUS and was able to have TELUS generously donate 12 newly refurbished laptops that were used to outfit an entire computer class at HAM.

✓ Results

- > 12 newly refurbished laptops
- > Each laptop was loaded with brand new software, including Windows 7
- > Students will now have an opportunity to learn basic computer skills and have internet access
- > Haiti ARISE can now offer more computer classes to their students
