

✓ Ukraine, Nikopol *Guesthouse Update*

What an amazing blessing the Nikopol guesthouse has become to so many. It has been an incredible journey: the selling of John and Nadia's home, the purchase of the new building, renovations and now completion. God's hand has been there through it all. The finished home is a beautiful, relaxing place for teams to come home to each day and a huge blessing to all who have been able to stay there.

✓ Results

- > There have been 4 HFL teams that have stayed at the guesthouse since its completion in the fall of 2007.
- > The guest house has facilitated 37 team members and over \$116,000 of project dollars!
- > John and Nadia would not have had the capacity to host some of these larger teams without this guesthouse.

Quotes from team members:

"Some days it was so difficult to see what we saw out in the villages and it was amazing to be able to feel like we were coming home each night"

"It was such a blessing to be able to return to the guesthouse each night after our busy days of ministry. It is a place of such peace and rest. We were spoiled to be able to stay in such a beautiful home. The dining room, the kitchen, the living room and even the bathrooms are beautiful!"

"The set up is perfect for a group to be able to stay, share great team times and be served great food. I have been on a few other missions trips before but I have never been taken care of so well!"
