

# Camp Reports

Nov 2006

Thank you very much for the financial support to the “Children of the Future” fund. With your participation we were able to have 16 camps. 13 camps were in villages of the Dnepropetrovsk area, 1 camp was for orphans, 1 retreat camp for widows and a ‘camp by the sea’ for 116 children. A total of 714 people were able to rest and receive God’s blessing.

Thank you for your response and sacrifices for the children’s ministry. May God bless you in all areas of your life.

Sincerely,  
Ivan Makovetzkiy, Director of “Children of the Future”

...То, что я увидел за неделю, меня, 68-летнего коммуниста, потрясло до глубины души. Низкий поклон вам от всех жителей с. Катулоса за ваше благородное дело. Я много лет не слышал детских голосов, не видел столько детей, объединенных одним общим делом, играми, забавами, радостью.  
Петлин В. М. (Дедушка)

Letter from someone outside the camp:

The things that I, a 68 year old communist, saw during this week deeply touched my soul. I thank you on behalf of our village for this event. For many years I was not able to hear children’s voices or see so many of them being united for one reason... the plays, the games and the joy they experienced.

-Petlin V.M. (grandfather of a camper)
