 Слава Иисусу Христу!!!

We, the members of the "Preobrazhenie" church in Krasnogrigrorivska, Nikopol, Dnepropetrovsk, would like to thank our friends, brothers and sisters for the financial help that was given to us in the amount of \$100 for the different needs of our church and for paying the utilities.

Praise God who made us one in Christ Jesus. Now we are his children, bought by His blood. God is taking care of us and knows our needs. He encouraged you, our dear brothers and sisters in Canada, to participate in this sacrificial ministry you are doing in the Ukraine.

Once again we want to thank you for helping small churches in our area to grow and do God's work here. May God richly bless you in the ministry you are doing here in the Ukraine and in other places.

Greetings to you in the name of our Lord Jesus Christ. Thank you so very much for the help we received in the amount of \$100 to purchase coal for the winter. May God bless you in serving Him and other people. My husband and I have a ministry in the orphanage with kids who have been taken away from their parents. In the church I am a leader of an older Sunday School group and also play piano for the choir. We have 2 daughters. God is faithful and is meeting all our needs. Praise be to Him for it! Once again we want to thank you.
